

Process for Passing Resolutions

Resolutions may be submitted by any member, local, council or the Executive Board. Resolutions must be submitted by emailing kreul@aft-wisconsin.org.

October 12

Deadline for submitting resolutions.

There will be no special orders of business at the Convention, so this is the last date to propose resolutions.

The AFT-W Executive Board reviews all submitted resolutions. They may make edits and combine similar resolutions.

October 19 (first day of Convention)

Committees meet to debate resolutions and vote on any proposed changes. Resolutions then go to the Delegate Assembly.

October 23 (last day of Convention)

The Delegate Assembly debates all resolutions as they come out of committee. Delegates may make amendments from the floor. Resolutions are finally voted on with a voice vote, unless a roll call vote is called for.
